SIR,

Subject:- Resumption of the Inam lands endowed to the Chattram at Chikkajala, Devanahalli Taluk.

I have the honor to forward herewith copy of letter No.C3-6711 of 28-29 dated 12-2-30 received from the Deputy Commissioner, Bangalore District, in the above matter, and to state that the Deputy Commissioner agreeing with the Sub Division Officer recommended the resumption of Dharmadaya lands of the extent of 225 acres 29 guntas for the upkeep of the Chattram at Chikkajala in the Devanahalli Taluk built by one Dodda Appiannasetty as the present Manager Appiannasetty, grandson of the aforesaid gentleman neglected entirely to maintain the building in good condition in accordance with the terms of the grant and left the building in a dilapidated condition. Notice was thereupon issued to the party from this office and on his personal representation in this office on 10-3-30 that he would undertake to repair the Chattram satisfactorily, six months' time was granted to him to restore the building. Since the party is reported to have failed to do so the Deputy Commissioner recommends the resumption of the Dharmadaya lands endowed to the Chattram reserving 20 acres to be set apart for the maintenance of the Sri Anjaneyaswami temple situated inside the Chattra

I request that sanction may kindly be accorded to resume the lands and to dispose of ~~it~~ them according to rules treating 20 acres out of the Dharmadaya lands as Devadaya grant for the upkeep of the above

temple situated in the Chattram.

Enclosures received with the Deputy Commissioner's letter are herewith submitted for reference and kind return.

I have the honor to be,

Sir,

Your most obedient servant,

Letter No.C3-6711/28-29 dated 12-2-30 from the Deputy Commissioner, Bangalore District, to the Mysore Commissioner.

Resumption of the lands granted to the Chattram at Chikkabasavanahalli Devanahalli Taluk.

I have the honor to state that the Chattram at Chikkabasavanahalli in Devanahalli Taluk generally called Dodda Appayyanna's Chattram, is endowed with the following Dharmadaya Inam lands originally noted lands for its maintenance.

finding that it was in a dilapidated condition a report was called for from the Amildar, after completing the necessary preliminary enquiries the Amildar reported on 30th September 1928 that though notices were issued to the decendants of the original benefactor, calling upon them to show cause if any the Inam lands should not be resumed, they did not appear, and requested that the lands in question might be attached and leased out for a fixed Gutta. Orders were accordingly said to have been passed by the Sub Division Officer.

The lands of Tharahunase village, have been sold to one Mr. Nanjunda Bangiah for an annual gutta of Rs 11/- and those of Bettahalasur and Kasaba lands of Dinnehosahalli for Rs 25/- in the sale held by the Amildar on [illegible]. But instead of confirming the sale the Sub Division Officer reported vide his No. A4-1200/28-29 dated nil that since the necessity for the existence of the Chattram at the place has ceased owing to the construction of the railway and since the institution itself was in a neglected condition and the man responsible for its proper maintenance was not quite trustworthy the Inam lands might be resumed to Government as reserve. He stated about 20 acres of land for being granted as a fresh Inam to the temple of Sri Anjaneya situated in the Chattram and the rest might be sold. Venkatappayyannasetty the present Manager of the Chattram, on the ground that the difference between the full assessment and the gutta for 3 years and if the lands might be disposed of as they were under the [illegible].

The records were again returned to the Sub Division Officer [illegible]

notice to the said Manager of the institution viz., Dodda Appayyannasetty calling upon him to show cause why the Inams should not be resumed and record his statement and furnish his further opinion in the matter.

The Sub Division Officer now reports that though the party appeared before him on 25-7-29, he did not furnish him with proper explanation to the questions viz., why the lands should not be resumed and secondly as to whether he was prepared to take up the lands in question, by paying the difference between the Jodi and full assessment for 20 years &c., and went away promising that he would give a final reply on 9-8-29 and that he never turned up on the appointed date, and once again recommends that the lands might be resumed to Government and disposed of by Public Auction, reserving of course 20 acres for the use of the temple inside the Chattram.

Under these circumstances I request that the resumption of the Inam lands might be sanctioned as recommended by the Sub Division Officer.

The entire file connected with the case is enclosed herewith for your reference.

Subject:- Resumotion of the Inam lands endowed to the Chattrar at Chikkajala, Devanahalli Taluk.

SIR,

With reference to your letter No.979/Muz.160-30-2 dated 30th/31st October 1930 calling for certain particulars regarding the Sri Anjaneyaswami temple situated inside the above chattram, I have the honor to state that the temple is reported to be in good condition and that puja service is being regularly performed. The Deputy Commissioner recommends that S.No.252 measuring A-G 14-23 and an extent of A-G 5-17 out of S.No.257 of Bettahalsur village, making a total extent of 20 acres, may be reserved for the temple. I request that the Deputy Commissioner's proposal may be sanctioned and the extent converted into Devadaya Inam.
